Winners Circle & Pictures Raffle followed by Closing Statements

This Dog Show is meant to be a fun and affordable event for the Community to raise funds for the Hollywood Council of Civic Associations (HCCA) Pete Brewer Scholarship Fund.

The HCCA is made up of Civic Associations from throughout the City. We all work to improve our neighborhoods and the overall quality of life in our Community.

We are a not for profit Civic Association Council and all proceeds from the Event go to provide scholarships for Hollywood Public High School Seniors. All our Staff are volunteers and raffle prizes are all donated. The more funds we can generate the more we can give in Scholarships.

The Scholarship Program was started by the HCCA in 2015 to honor Mr. Brewer, a founding HCCA member, a Community activist and a staunch advocate for high quality public education.

The continuing rise in the cost of pursuing post secondary education has made it difficult for many. This Scholarship Program, for Hollywood residents graduating as Seniors from one of the four Hollywood public High Schools, we hope will help defray some of those costs. We have given away over \$7000.00 to date. Even though that is a modest amount we have been increasing every year.

That is why we do the 'Be Mine' Dog Show. It is the one event our organization does every year to raise money. Our other endeavors, working on behalf of the Community and our 'Vollman Award' for Civic and Community Activists do not require raising monies through an Event like this.

THANK YOU FOR YOUR PARTICIPATION
ALL PROCEEDS From This Event GO TO THE HCCA
'Pete Brewer' Scholarship Fund for Hollywood Youth
